Course Name

Fatigue Risk Management: Technical briefing on NR/L2/OHS/003

Course Description

An updated Fatigue Risk Management Standard (NR/L2/OHS/003) was published in December 2019 with a compliance date of October 2022. This training has been designed to support people managers, by giving them overview of the history of fatigue management at Network Rail, details of their responsibilities according to NR/L2/OHS/003, and guidance on how to minimise fatigue related risk through standard compliance.

Audience

Line Managers, Roster Planners, anyone responsible for managing the workload of staff, H&S; managers.

Duration: 1 Hour Day(s) **Class Size:** 9999
