Portable, Transportable and Mobile Plant

Course Name

CITB Scaffolding Inspections

Course Description

The overall aim is to develop the delegates understanding of scaffold components, methods of construction and inspection procedures to comply with current legislation and codes of practice. ALL Delegates must go onto the CISRS website and note info needed to be able to apply for the Scaffolding Inspection card, as this will need to be given to the trainer on the course.

Audience

Site Managers and Supervisors who are responsible for ensuring that scaffolding is correctly erected, used, maintained and inspected.
