Station Operations

Course Name

Rapid Response First Aid (RRFA) Familiarisation

Course Description

This course is designed to train individuals who are part of a Rapid Response First Aid (RRFA) team at a Network Rail managed station. It is designed to develop a person's knowledge, understanding and skills specifically around the RRFA process. Individuals who attend this course will have already been trained in the Rapid Response First Aid practical skills. The aim of this course is to provide delegates with the skills and underpinning knowledge required to work within an RRFA team at a Network Rail managed station.

Audience

Network Rail Station Staff; Security, Shift managers, Mobility and Reception.

Duration: 1 Day(s) **Class Size:** 10
