

Track Safety

Course Name

LOWS Lookout + Controller Zollner ZPW

Course Description

Develops the knowledge and skills for the safe and effective operation of the Zollner Autoprowa ZPW LOWS equipment. This course includes LOWS Lookout duties and competence, as well as COSS duties and competence as a Controller. It can be attended by a Lookout who does not hold COSS and this person would be awarded the LOWS Lookout Competence. It can also be attended by a COSS, and LOWS Controller would be awarded. If the person holds both Lookout and COSS they will be awarded both competencies.

Audience

For those with COSS and Lookout competence who will be required to operate with Zollner LOWS equipment.
