

Elearning Courses

Applied Engineering Mathematics

Module of the Foundation Degree in Railway Engineering Course

Course Type

Face to Face

Applied Engineering Programme - Year One

Year 1 of the Applied Engineering Programme

Course Type

Face to Face

Applied Engineering Programme Year Three and Four

Years 3 & 4 of the Applied Engineering Programme

Course Type

Face to Face

Applied Engineering Programme - Year Two

Year 2 of the Applied Engineering Programme

Course Type

Face to Face

Civil and Track Modules (Fd)

Module of the Foundation Degree in Railway Engineering Course

Course Type

Face to Face

Civil Modules (BEng)

Module of the BEng in Railway Engineering

Course Type

Face to Face

Electrical and Mechanical Modules (BEng)

Module of the BEng in Railway Engineering

Course Type

Face to Face

Electrical and Mechanical Modules (Fd)

Module of the Foundation Degree in Railway Engineering Course

Course Type

Face to Face

Engineering Technical Project

Module of the Foundation Degree in Railway Engineering Course

Course Type

Face to Face

Geotechnics, Surveying & Environment

Module of the Foundation Degree in Railway Engineering Course

Course Type

Face to Face

HNC in Railway Engineering - Year One Modules

Year 1 of the HNC in Railway Engineering

Course Type

Face to Face

HNC in Railway Engineering - Year Two Modules

Year 1 of the HNC in Railway Engineering

Course Type

Face to Face

Rail Engineering Management

Module of the Foundation Degree in Railway Engineering Course

Course Type

Face to Face

Signalling Design

Module of the Foundation Degree in Railway Engineering Course

Course Type

Face to Face

Signalling Modules (BEng)

Module of the BEng in Railway Engineering

Course Type

Face to Face

Signalling Modules (Fd)

Module of the Foundation Degree in Railway Engineering Course

Course Type

Face to Face

Structural Design & Analysis

Module of the Foundation Degree in Railway Engineering Course

Course Type

Face to Face

Supply & Distribution

Module of the Foundation Degree in Railway Engineering Course

Course Type

Face to Face

Track Engineering Analysis

Module of the Foundation Degree in Railway Engineering Course

Course Type

Face to Face

Track Modules (BEng)

Module of the BEng in Railway Engineering

Course Type
