

Technical & Vocational Courses

Control Mobile Flash Butt Welding Host Machine.

Provides the skills and underpinning knowledge required to undertake Machine Controller flash butt welding host machine duties.

Course Type

Face to Face

Control of Any Line Open (ALO)

This course enables delegates to perform Any Line Open (ALO) planning and co-ordinating activities.

Course Type

Face to Face

Crane Controller Attachment - Group 2 Civils

Provides the skills and underpinning knowledge required to undertake Crane Controller Attachment Civils duties.

Course Type

Face to Face

Crane Controller Attachment - Group 3 Powered Lifting

Provides the skills and underpinning knowledge required to undertake Crane Controller Attachment Power Lifting duties.

Course Type

Face to Face

Crane Controller Attachment - Group 4 Tree Management

Provides the skills and underpinning knowledge required to undertake Crane Controller Attachment Tree management duties.

Course Type

Face to Face

Crane Controller Attachment - Group 5 Vacuum

Provides the skills and underpinning knowledge required to undertake Crane Controller Attachment Vacuum management duties.

Course Type

Face to Face

Crane Controller Attachment - Group 6 Rail Management

Provides the skills and underpinning knowledge required to undertake Crane Controller Attachment Rail management duties.

Course Type

Face to Face

Crane Controller Attachment - Group 7 Cropper

Provides the skills and underpinning knowledge required to undertake Crane Controller Attachment Cropper management duties.

Course Type

Face to Face

Crane Controller Excavator Crane

Provides the skills and underpinning knowledge required to undertake Crane Controller Excavator Crane duties.

Course Type

Face to Face

Crane Controller Excavator Crane Tandem Lifting

Provides the skills and underpinning knowledge required to undertake Crane Controller OTP Tandem Lift (TL) duties.

Course Type

Face to Face

Crane Controller Lorry Loader

Provides the skills and underpinning knowledge required to undertake Crane Controller Lorry Loader duties.

Course Type

Face to Face

Crane Operator - Excavator Crane

Provides the skills and underpinning knowledge required to undertake Crane Operator Excavator Crane duties.

Course Type

Face to Face

Crane Operator - Excavator Tandem Lifting

Provides the skills and underpinning knowledge required to undertake Crane Operator Excavator tandem Lifting duties.

Course Type

Face to Face

Crane Operator - Lorry Loader

Provides the skills and underpinning knowledge required to undertake Crane Operator Lorry Loader duties.

Course Type

Face to Face

Crane Operator OTM Tandem Lifting - KIROW

Provides the skills and underpinning knowledge required to undertake Crane Operator OTM Tandem Lifting KIROW duties.

Course Type

Face to Face

Drainage Vehicle Conversion - Vacuum Loading Verse Air Conveying

Training on undertaking drainage vehicle - vacuum loading verse air conveying.

Course Type

Face to Face

Load and Unload of Mobile Flash Butt Welder

Provides the skills and underpinning knowledge required to undertake load and unloading of flash butt welding host machine duties.

Course Type

Face to Face

Machine Controller Attachment - Group 1 Ballast/Track Management

Provides the skills and underpinning knowledge required to undertake Machine Controller Attachment Ballast management duties.

Course Type

Face to Face

Machine Controller Attachment - Group 2 Civils

Provides the skills and underpinning knowledge required to undertake Machine Controller Attachment civils duties.

Course Type

Face to Face

Machine Controller Attachment - Group 3 Cutterhead

Provides the skills and underpinning knowledge required to undertake Machine Controller Attachment cutterhead duties.

Course Type

Face to Face

Machine Controller Attachment - Group 4 Transportation

Provides the skills and underpinning knowledge required to undertake Machine Controller Attachment transportation duties.

Course Type

Face to Face

Machine Controller Attachment - Group 5 Drainage

Provides the skills and underpinning knowledge required to undertake Machine Controller Attachment drainage duties.

Course Type

Face to Face

Machine Controller Attachment - Group 6 Chipper

Provides the skills and underpinning knowledge required to undertake Machine Controller Attachment chipper duties.

Course Type

Face to Face

Machine Controller Attachment - Group 7 Ballast Excavator

Provides the skills and underpinning knowledge required to undertake Machine Controller Attachment Ballast Excavator duties.

Course Type

Face to Face

Machine Controller Demountable Machine / RMMM

Provides the skills and underpinning knowledge required to undertake Machine Controller demountable machine RMMM duties.

Course Type

Face to Face

Machine Controller Highway Permissible Vehicle

Anyone required to undertake Machine Controller highway permissible vehicle duties.

Course Type

Face to Face

Machine Controller Material Handler

Provides the skills and underpinning knowledge required to undertake Machine Controller material handler duties.

Course Type

Face to Face

Machine Controller MEWP

Provides the skills and underpinning knowledge required to undertake Machine Controller MEWP duties.

Course Type

Face to Face

Machine Controller Road Transportable Tamper

Provides the skills and underpinning knowledge to undertake Machine Controller road transportable tamper duties.

Course Type

Face to Face

Machine Operator - Clipper

Provides the skills and underpinning knowledge required to undertake Machine Operator Clipper duties.

Course Type

Face to Face

Machine Operator - Crawler/Tractor Dozer

Provides the skills and underpinning knowledge required to undertake Machine Operator Crawler/Tractor Dozer duties.

Course Type

Face to Face

Machine Operator - Dump Truck

Provides the skills and underpinning knowledge required to undertake Machine Operator Dump Truck duties.

Course Type

Face to Face

Machine Operator - Excavator

Provides the skills and underpinning knowledge required to undertake Machine Operator Excavator duties.

Course Type

Face to Face

Machine Operator - Highway Permissible Vehicle

Provides the skills and underpinning knowledge required to undertake Machine Operator Highway Permissible Vehicle duties.

Course Type

Face to Face

Machine Operator - MEWP Attachments

Provides the skills and underpinning knowledge required to undertake Machine Operator MEWP Attachments duties.

Course Type

Face to Face

Machine Operator - Mini Tamper

Provides the skills and underpinning knowledge required to undertake Machine Operator Mini tamper duties.

Course Type

Face to Face

Machine Operator - Motorised Trolley

Provides the skills and underpinning knowledge required to undertake Machine Operator Motorised Trolley duties.

Course Type

Face to Face

Machine Operator - Self Propelled MEWP

Provides the skills and underpinning knowledge required to undertake Machine Operator Self Propelled MEWP duties.

Course Type

Face to Face

Machine Operator - Sleeper Suite

Provides the skills and underpinning knowledge required to undertake Machine Operator Sleeper Suite duties.

Course Type

Face to Face

Machine Operator - Trac-gopher

Provides the skills and underpinning knowledge required to undertake Machine Operator Trac-gopher duties.

Course Type

Face to Face

On Track Plant (OTP) Core

Operating and controlling OTP machines/cranes.

Course Type

Face to Face

Operate Auger Driver Attachment

Provides the skills and underpinning knowledge required to be able to operate Auger Driver attachment safely.

Course Type

Face to Face

Operate Ballast Brush Attachment

Provides the skills and underpinning knowledge required to operate the Ballast Brush attachment safely.

Course Type

Face to Face

Operate Ballast Distribution Unit Attachment

Provides the skills and underpinning knowledge required to be able to operate the Ballast Distribution Unit attachment safely.

Course Type

Face to Face

Operate Ballast Excavator Attachment

Provides the skills and underpinning knowledge required to be able to operate Ballast Excavator attachment safely.

Course Type

Face to Face

Operate Ballast Plough Attachment

Provides the skills and underpinning knowledge required to be able to operate the Ballast Plough attachment safely.

Course Type

Face to Face

Operate Ballast Profile Blade Attachment

Provides the skills and underpinning knowledge required to be able to operate Ballast Profile Blade attachment safely.

Course Type

Face to Face

Operate Ballast Undercutter Attachment

Provides the skills and underpinning knowledge required to be able to operate the Ballast Undercutter attachment safely.

Course Type

Face to Face

Operate Cable Drum Carrier Attachment

Operating the Cable Drum Carrier attachment.

Course Type

Face to Face

Operate Clam-shell Bucket Attachment

Provides the skills and underpinning knowledge required to be able to operate the Clam-shell Bucket attachment safely.

Course Type

Face to Face

Operate Compaction Unit Attachment

Provides the skills and underpinning knowledge required to operate the Compaction Unit attachment safely.

Course Type

Face to Face

Operate Cone Penetration (CPT Unit) Attachment

Provides the skills and underpinning knowledge required to operate the Cone Penetration (CPT Unit) attachment safely.

Course Type

Face to Face

Operate Drag Clamp Attachment

Provides the skills and underpinning knowledge required to be able to operate the Drag Clamp attachment safely.

Course Type

Face to Face

Operate Fast-clipper Attachment

Provides the skills and underpinning knowledge required to be able to operate the Fast-clipper attachment safely.

Course Type

Face to Face

Operate Flail (vegetation control) Attachment

Provides the skills and underpinning knowledge required to operate the Flail (vegetation control) attachment safely.

Course Type

Face to Face

Operate Hydraulic Breaker Attachment

Provides the skills and underpinning knowledge required to operate the Hydraulic Breaker attachment safely.

Course Type

Face to Face

Operate Hydraulic Grab Attachment

Provides the skills and underpinning knowledge required to operate the Hydraulic Grab attachment safely.

Course Type

Face to Face

Operate Hydraulic Panel & Rail Lifting Beam Attachment

Provides the skills and underpinning knowledge required to operate the Hydraulic Panel & Rail Lifting Beam attachment safely.

Course Type

Face to Face

Operate Hydraulic Sleeper Changer/Wetbed Bucket Attachment

Provides the skills and underpinning knowledge required to operate the Hydraulic Sleeper Changer/Wetbed Bucket attachment safely.

Course Type

Face to Face

Operate Hydraulic Sleeper Placer/Spacer Attachment

Provides the skills and underpinning knowledge required to operate the Hydraulic Sleeper Placer/Spacer attachment safely.

Course Type

Face to Face

Operate Hydrualic Manipulator Attachment

Provides the skills and underpinning knowledge required to operate the Hydrualic Manipulator attachment safely.

Course Type

Face to Face

Operate Level Crossing Slab Lifter Attachment

Provides the skills and underpinning knowledge required to operate the Level Crossing Slab Lifter attachment safely.

Course Type

Face to Face

Operate Mobile Flash Butt Welding Host Machine.

Provides the skills and underpinning knowledge required to undertake Machine Operator flash butt welding host machine duties.

Course Type

Face to Face

Operate Piling Driver Vibratory Attachment

Provides the skills and underpinning knowledge required to operate the Piling Driver Vibratory attachment safely.

Course Type

Face to Face

Operate Piling Hammer Attachment

Provides the skills and underpinning knowledge required to be able to operate the Piling Hammer attachment safely.

Course Type

Face to Face

Operate Piling Torque Head Attachment

Provides the skills and underpinning knowledge required to operate the Piling Torque Head attachment safely.

Course Type

Face to Face

Operate Rail Cropper Attachment

Provides the skills and underpinning knowledge required to operate the Rail Cropper attachment safely.

Course Type

Face to Face

Operate Rail Turner Attachment

Provides the skills and underpinning knowledge required to operate the Rail Turner attachment safely.

Course Type

Face to Face

Operate Rock Grinder Attachment

Provides the skills and underpinning knowledge required to operate the Rock Grinder attachment safely.

Course Type

Face to Face

Operate Scarifier Attachment

Provides the skills and underpinning knowledge required to operate the Scarifier attachment safely.

Course Type

Face to Face

Operate Stump Grinder Attachment

Provides the skills and underpinning knowledge required to operate the Stump Grinder attachment safely.

Course Type

Face to Face

Operate Tamper Attachment

Provides the skills and underpinning knowledge required to operate the Tamper attachment safely.

Course Type

Face to Face

Operate Thimble Attachment

Provides the skills and underpinning knowledge required to operate the Thimble attachment safely.

Course Type

Face to Face

Operate Tilt Rotator Attachment

Provides the skills and underpinning knowledge required to operate the Tilt Rotator attachment safely.

Course Type

Face to Face

Operate Trailer Attachment

Provides the skills and underpinning knowledge required to operate the Trailer attachment safely.

Course Type

Face to Face

Operate Tree Cutting Head Attachment

Provides the skills and underpinning knowledge required to operate the Tree Cutting Head attachment safely.

Course Type

Face to Face

Operate Troughing Lid Lifting and Cable Solution Attachment

Provides the skills and underpinning knowledge required to operate the Troughing Lid Lifting and Cable Solution attachment.

Course Type

Face to Face

Operate Vacuum Excavator Unit Attachment

Provides the skills and underpinning knowledge required to operate the Vacuum Excavator Unit attachment safely.

Course Type

Face to Face

Operate Vacuum Lifter Attachment

Provides the skills and underpinning knowledge required to operate the Vacuum Lifter attachment safely.

Course Type

Face to Face

Operate Wood Chipper Attachment

Provides the skills and underpinning knowledge required to be able to operate the Wood Chipper attachment safely.

Course Type

Face to Face

OTP Assurance Inspections

Training on undertaking OTP Assurance Inspection using the CMO App.

Course Type

Face to Face

OTP Lift Planning Single Lift

Provides training for undertaking OTP Single Lift Planning developing knowledge, understanding and skills through practical and theoretical exercises.

Course Type

Face to Face

OTP Lift Planning Tandem Lift

Provides the underpinning skills and knowledge to undertake OTP tandem lift planning.

Course Type

Face to Face

POS Representative

Provides the skills and underpinning knowledge required to undertake POS Representative duties.

Course Type

Face to Face

Slinger - Initial

Training on undertaking Slings duties during track maintenance or renewals work.

Course Type

Face to Face

Vacuum Tanker & Jetvac for Safe Loading, Discharge and Transportation of Liquids

The safe operation of Vacuum Tanker Jetvac with or without water jetting equipment.

Course Type

Face to Face
