

# Railway Operations

**Course Name**

Interaction with Level Crossing Users and Stakeholders

**Course Description**

Covers the interactions with Level Crossing users. On completion, attendees will be able to effectively engage with all level crossing users and stakeholders to manage use and risk.

**Audience**

For those who are taking on the role of Level Crossing Manager or Route Level Crossing Manager. Ideally, attendees will have already completed Personal Track Safety, Risk Management, Including Switches and Crossings, Level Crossing Risk Assessment and ALCRM.
