NetworkRail

Railway Operations

Course Name

JESIP Awareness

Course Description

This training course is designed to provide learners with knowledge of JESIP and provide them with the opportunity to understand how this applies to their role and day-to-day work.

Audience

This module is intended to provide operational responders within Network Rail with an awareness of the JESIP models and principles, and how these can be applied at an incident.

Duration: 0.25 Day(s) **Class Size:**
