# Frontline Leadership Programme

**Course Name**

Network Rail Leader: Managing Innovation and Change

**Course Description**

The course explores methods to integrate inputs and ideas from different sources in order to explore opportunities for improvement. It covers techniques for how best to propose new solutions that may fundamentally change the way things are done currently. It also looks at the importance of ensuring that the originators and developers of ideas which are successfully implemented are recognised for their achievement.

**Audience**

Middle managers wanting to develop their skillls in managing innovation and change.
