Railway Operations

Course Name

Animal Care and Safety on the Railway Module 2

Course Description

This is the second of two avaliable modules from the RSPCA. This module aims to give you greater knowledge of the relevant legislation that you need to be aware of if you are rescuing animals. In this session we will primarily look at the laws created to protect our animals and wildlife so that you know exactly what you should and shouldn't do and will focus on the following areas.

Audience

This solution is aimed at Mobile Operation Managers (MOM) and other roles who may need to have an awareness of animal care and safety on the railway.
