Railway Operations

Course Name

Auxiliary Operating Duties■ Pilotman (2)

Course Description

This course is a mandatory course for all staff that will be required to deal with Pilotman Duties on behalf of Network Rail. It enables delegates to undertake the duties of a Pilotman as well as set up Pilot working in Single Line Working (P1) and set up and maintain working of single and bi-directional lines (P2). Successful completion of the course is followed by a programme of action learning.

Audience

This course is for those who are required to undertake Pilotman duties on single and bi-directional lines. Attendees must hold a current Sentinel card that is endorsed with either the IWA or COSS competence.
