The Way We Manage Our Business

**Course Description**

The way we manage our business', our business management framework provides:

- Clear and consistent ways of working, defined in our policies, processes, activities, standards, agreed across the network and stored on our OneSource IMS
- Robust assurance and confidence that we're doing the right things.
- Insights that inform risk-based business decision making
- Improvements initiatives based on our risks, to ensure we are improving the business in the right way.
- Continuously giving us the clarity and confidence to consistently do the right things collaboratively and in the best way possible.

The framework allows us to operate efficiently and effectively, learn as a business, improve safety, become more agile and responsive, meaning we can deliver increased value for our passengers.

The GRAI framework was launched 3 years ago following PPF and is now being embedded further through this elearning
