

# Rail Plant

**Course Name**

Safe use of Grinder Machine [GEISMAR]

**Course Description**

This course is aimed at first time-attenders at Eastleigh depot who need to use the Geismar Grinder as part of their roles. The course awards a competence specific to Eastleigh depot and should not be used by depots elsewhere. It should be noted that this course cost is one half of the joint amount charged by Geismar to provide training for both press and grinder (DP 22 and DP 23). It includes the cost of travel for the trainer from France to the UK. Geismar should be contacted for an exact price when training is needed, as the cost may differ over time.

**Audience**

For individuals required to use the Grinder Machine [GEISMAR] at the Network Rail Long Weld Rail Depot, Eastleigh.
