

Rail Plant

Course Name

Safe use of Rail end Brushing Machine [NENCKI]

Course Description

This course is aimed at first time-attenders at Eastleigh depot who need to use the Nencki Rail end Brushing Machine as part of their roles. The course awards a competence specific to Eastleigh depot and should not be used by depots elsewhere. The costs for this course is per day, not per delegate. It does not include the cost of flights or accommodation to bring the providers to the UK. When booking this course, discussions should be had with the provider for a more accurate cost.

Audience

For individuals required to use the Rail end Brushing Machine [NENCKI] at the Network Rail Long Weld Rail Depot, Eastleigh.
