

Frontline Leadership Programme

Course Name

Network Rail Leader: Leadership Skills

Course Description

This module demonstrates how managers can involve team members in determining ways to achieve desired results and define expectations about how team members will work together. It also covers how to set up and communicate clear objectives, and then monitor team performance through regular performance appraisals.

Audience

Middle managers who wish to widen their range of leadership and management capabilities.

Duration: 1 Day(s) **Class Size:** 14
