

Further Leadership and Management modules

Course Name

Leadership Essentials: Leadership Skills

Course Description

This course provides the knowledge and skills to define the difference between leadership and management, identify the impact of diversity and inclusion principles, and identify leadership styles for particular situations. It also covers techniques for effective delegation, identification of factors that impact on motivation, and how to define clear objectives for self and team.

Audience

Anyone identified for career progression where this module forms part of a core development programme.

Duration: 1 Day(s) **Class Size:** 14
