

Further Leadership and Management modules

Course Name

Leadership Essentials: Practical (Infrastructure Workforce)

Course Description

This course provides the opportunity to put into practice the models that have been covered throughout the programme. On completion of the practical simulation, delegates will receive a development plan highlighting the strengths observed during the simulation, together with suggested areas for improvement.

Audience

Those from Infrastructure Workforce roles who have completed the Leadership Essentials modules.

Duration: 2 Day(s) **Class Size:** 14
