Elearning

Course Name

Counter Terrorism on the Railway

Course Description

This mandatory eLearning course promotes security awareness throughout the national railway network to give you an understanding of the risks relating to terrorism and the role you can play in identifying and reporting unusual behaviours and suspicious items. You will have an understanding of the response required in the event of an incident.   Once you have completed this training course you will gain the Counter Terrorism competency. Your training records may be shared with external parties.

Audience

Everyone, this is a mandatory eLearning course. This includes; all internal Network Rail staff, all contractors and all station staff.

Duration: 0.25 Day(s) **Class Size:** 1
