

Technical & Vocational

Course Name

Handheld Application

Course Description

A follow on course to the 'safe use of pesticide course' for those required to apply pesticides to Network Rail Managed Infrastructure using hand held appliances. Provides training in the correct use and maintenance of the applicators and to determine the amount of pesticide mixture required for application.

Audience

Anyone involved in the application of pesticides with handheld hydraulic nozzle applicators.

Duration: 2 Day(s) **Class Size:** 2
