

Welding

Course Name

Interim Manual Rail Grinding of Plain Line, Switches and Crossings

Course Description

Deployment of Neway rail grinding training is an interim solution in line with the Temporary Variation TR49315 to standard NR/L2/TRK/053 for colleagues who undertake manual grinding of switches, until the approved Network Rail training solution is available.

The solution consists of two parts:

- Grinding Operative – Plain Line
- Switch Blade and Crossing Grinding

Audience

- Grinding Team Leaders • Grinding Technicians • Grinding Operatives

Duration: 10 Days Day(s) **Class Size:** 10

Competence Name Awarded

Interim Manual Rail Grinding of Plain Line, Switches and Crossings
