

# Overhead Line Engineering

**Course Name**

Live Working Form SAI

**Course Description**

This e-Learning has been introduced to develop knowledge of the new Live Working Form which captures the requirements placed upon the person requesting to work Live. This is limited to AP's, NP's or a person who holds switching and object removal competence. It covers the process for working Live and the decisions made along the way, including how to complete the form itself.

**Audience**

Authorised Persons and Nominated Persons

**Duration:** 0.25 Day(s) **Class Size:**
